

Information sheet for exhibitors and stand builders

Ladies and Gentlemen, dear Exhibitors,

Here is some important information and rules to follow to ensure that the assembly and dismantling of SIAMS 2026 runs smoothly:

Assembly

External standbuilders: Easter 2026 will take place two weeks before the opening of SIAMS. The stands in **halls 1.1 and 1.0 must be set up by 7.04.2025** (week 15).

For **halls 1.2, 2.1 and 2.2**, they will have to be installed **from 30.03.2025** (before Easter) and **until 11.04.2026** (end of week 15).

Stands must be completed by **Monday 20.04.2026 17:00** and empty packaging taken back or stored on site.

For halls 1.1, 2.1 and 2.2, an assembly schedule will be drawn up in line with the deliveries of heavy machines. We will be informing exhibitors in these three halls about this at the end of February.

All halls will be closed over Easter (03.04.2026 - 06.04.2026) and at weekends: 28-29.03.2026 and 11-12.04.2026.

Monday 20.04.2026: all halls close at 17:00

(Exit obligatory for everyone)

On Tuesday 28 April 2026, only heavy machinery delivery lorries (according to schedule) for all halls will be allowed on site. **No other collections will be permitted on this day.**
