In the heart of the Parc Chasseral, Hota Hotel Saint-Imier enjoys a privileged location. Its immediate proximity to the train station, the recently revitalised public park and the major attractions of Grand Chasseral make the hotel an ideal place to stay for both business travellers and tourists in search of adventure and discovery.

AMBASSADOR OF GRAND CHASSERAL

Hota Hotels does more than just offer a place to stay; it is a genuine local player. As a member of the Parc Chasseral label, a Grand Chasseral tourist office and a specialised "Bike Hotel", the hotel is committed to working closely with regional actors. Hota Hotel Saint-Imier invites you to discover the rich watchmaking history of Longines, an avant-garde world of renewable energies and Camille Bloch's passion for chocolate.
